2007 Core Data Survey Questionnaire

When responding to the survey questions, please enter data that describe your current IT environment unless a question specifically requests data for the fiscal year 2006-2007.

Please note that for any term in the survey that is underlined there is a corresponding definition or explanation for that term in the glossary of terms which appears at the end of the printable version of the survey. When working with the survey online, simply clicking on the term will bring up its definition/explanation from the glossary.

**IT Organization, Staffing, and Planning**

1. What is the title of the highest ranking technology administrator / officer on your campus?

2. To whom does the highest ranking technology administrator / officer on your campus report?

- President / chancellor / CEO
- Highest ranking academic officer (Provost, Academic VP, Dean)
- Highest ranking administrative officer (Administrative VP, Executive VP)
- Highest ranking business officer (Business Officer, CFO)
- Second level academic officer (Vice Provost, Assistant or Associate Provost / Academic VP)
- Second level administrative officer (Assistant or Associate Administrative VP)
- Reports jointly to president / chancellor / CEO and chief academic officer
- Reports jointly to chief academic officer and chief administrative or financial officer
- Other

3. What functions report to or are included in the responsibilities of the highest ranking information technology administrator / officer on your campus? (Check all that apply.) Note: these categories are not intended to match the functional areas into which you are asked to place numbers of FTE staff or to report sources of funding; this question is intended to identify organizational areas for which the top technology administrator has responsibility to help identify colleagues with similar organizational responsibilities.

- Academic Computing
- Administration of IT Organization
- Administrative Information Systems
- Computer Store
- Desktop Computing, User Support Services, Training, Help Desk
- Enterprise Infrastructure and Services, Identity Management
4. Is the highest ranking information technology administrator / officer a member of your president’s or chancellor’s cabinet?

- [ ] Yes
- [x] No

5. Please enter the number of full-time equivalent (FTE) staff (including clerical, support, and management staff) and students employed by the centralized IT organization of your campus in each of the functional areas listed below for FY 2006-2007. Please include part-time, temporary, and limited-term employees in your count. Please do not include employees who supported a hospital or who supported IT for other campuses if your campus is part of a multicampus system or district.

If your campus has contracted with an external supplier to provide all or nearly all IT services through an outsource arrangement, please include the supplier’s employees as staff for the purposes of this question and check the box below the table to report this outsourcing arrangement. If your campus has merged the library and IT organizations, please see the glossary term Library / IT Staff for directions.

If you had no employees in a functional area, enter 0. If you had less than 1 FTE in an area, use a decimal number rather than a fraction to indicate what portion of an FTE employee supported that area. NOTE that the total of the numbers that you enter in each of these columns should be equal to the total number of FTE staff and students employed by your centralized IT organization for FY 2006-2007. Please use "other" to enter the number of FTE staff and/or students who do not fit into any of the functional areas listed and describe the functions these employees support in the box provided. Please do not use the "other function" line to report that you do not have other functions or that you have 0 other staff. If you have no other functional areas and no other staff, leave the boxes for line 14 blank.

Click on or pass your cursor over the underlined functional area to see how we have defined these areas for survey reporting purposes. Even if you do not use this taxonomy on your campus, please re-distribute your FTE numbers according to these definitions to ensure comparable data comparisons across all campuses. These definitions are also found in the full glossary available by clicking on Survey Help.

6. Please estimate the number of full-time equivalent (FTE) information technology personnel who were employed by departments or offices outside the centralized IT organization of your campus for FY 2006-2007 (for example, employed by administrative offices or academic departments), including part-time, temporary, and limited term employees. Your campus HR office may be able to provide this number. If no IT personnel were employed outside the centralized IT organization, enter 0. If you cannot estimate this number, please check the box below to report that.

We are unable to estimate this number.

7. Does your campus have a separate salary scale for information technology professionals?

- Yes
- No

8. Does your campus use either a separate set of information technology (IT) job titles or a broadband IT classification and compensation system?

- Yes
- No

**Total centralized IT unit FTE:**

- Please check this box if all or nearly all of your IT staff are provided through an outsourcing arrangement with an external supplier (other than your system or district office if your campus is part of a multicampus system or district).
- Please check this box if your campus is part of a multicampus system or district that provided staffing support from the centralized system or district office that is not reflected in the numbers you have entered above.
9. Please answer the following questions regarding strategic planning for information technology at your campus.

Does your campus strategic plan include strategies and directions for information technology?
- Yes
- No

Does your campus have a stand-alone information technology strategic plan?
- Yes
- No

10. Which of the following types of group(s) at your campus provide(s) advice about information technology strategies? (Check all that apply.)
- IT Financing and Management
- Trustee committee
- President's cabinet / council
- Administrative committee
- Academic committee / faculty senate
- Technology advisory committee
- Academic committee / faculty senate
- Student committee
- State agency
- System or district office in multicampus system or district
- Other

- None of the above — we do not have any IT advisory groups.

**IT Financing and Management**

1. Please enter the dollar amounts your centralized information technology organization received in FY 2006-2007 from each of the funding categories listed.

   If you had no funding in a category, enter 0. Enter the dollar amount in whole U.S. Dollars without commas or decimals, e.g., $588,499.41 would be entered as 588499. NOTE that the total of all of the dollars entered should represent the total funding your centralized IT organization received in FY 2006-2007. Click on the underlined terms for an explanation of what these funding sources are meant to include. If you had a category of funding not listed, please describe it in the "other" category and enter the dollar amount received from that source. Please do not use the "other funding" category to report 0 other funding; if you have no other funding sources, simply leave both of the boxes on line 10 blank.

   NOTE that we are asking campuses in a multicampus system or district to enter a best estimate of their share of the dollar equivalent for systems or services that were provided at no charge by the central system or district office to its campuses. We urge you to contact your system or district office for help in calculating this estimate. For examples of these calculations, click here. EDUCAUSE has contacted system and district offices to alert them that their campuses may be in touch with them for help with this data point. Note also that you should not report an amount that your campus actually paid to your system or district office for systems or services provided, as those dollars are assumed to be included in the expenditures from your centralized IT organization's operating appropriation. If, however, you have not included those dollars on line 1, you may enter them on line 8.

   Please note also that line 9 allows you to report separately the amount of compensation and/or benefits for centralized IT staff that might have been paid from an institutional budget rather than included in your centralized IT organization's operating appropriation / budget. If you enter an amount here, please be sure to also report this amount on line 1a of Section 2 Question 4 of the survey.
2. Please estimate what percent of funding for each centralized IT function came from these various funding sources for FY 2006-2007.

Enter percentages as whole numbers, e.g., 70% would be entered as 70. If a function is not applicable, leave the entire row blank. Otherwise, please ensure that your percentages for a functional row add up to 100%. Click on or pass your cursor over the underlined functional area to see how we have defined each area for survey reporting purposes to ensure comparable data comparisons across all campuses. These definitions are also found in a full glossary available by clicking on Survey Help.

NOTE that we are requesting that you estimate what percent of equivalent funding came from the system/district office for each function if your campus is part of a multicampus system that provides IT functionality at the system/district level.

### Category of Funding

<table>
<thead>
<tr>
<th>Category of Funding</th>
<th>Dollar Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Operating appropriation to centralized IT organization</td>
<td>$</td>
</tr>
<tr>
<td>2. Capital appropriation to the centralized IT organization (other than those amortized through rates)</td>
<td>$</td>
</tr>
<tr>
<td>3. Appropriation to the centralized IT organization from revenue generated from student technology fees (if not included above in line 1, operating appropriation)</td>
<td>$</td>
</tr>
<tr>
<td>4. Revenue from sale (chargeback) of centralized services (e.g., network or phone services, computer repairs) to campus departments, students, staff, and others</td>
<td>$</td>
</tr>
<tr>
<td>5. Revenue from sale of centralized services (e.g., computer store sales) to entities external to the campus</td>
<td>$</td>
</tr>
<tr>
<td>6. Net revenue from resale of products (e.g., computer store sales) to campus departments, students, staff, and others</td>
<td>$</td>
</tr>
<tr>
<td>7. Net revenue from resale of products (e.g., computer store sales) to entities external to the campus</td>
<td>$</td>
</tr>
<tr>
<td>8. If your campus is part of a multicampus system or district, enter your best estimate for your campus’s proportional share of the dollar equivalent for systems or services provided at the system or district level for which the campus is not charged.</td>
<td>$</td>
</tr>
<tr>
<td>9. If compensation or fringe benefits for centralized IT staff were paid from an institutional budget (that is, not included in your centralized IT organization’s funding or budget), please enter the amount here (if you have not already accounted for this equivalent funding in line 1 above).</td>
<td>$</td>
</tr>
<tr>
<td>10. Other Funding</td>
<td>$</td>

### Total centralized IT Funding for FY 2006-2007:

2. Please estimate what percent of funding for each centralized IT function came from these various funding sources for FY 2006-2007.

Enter percentages as whole numbers, e.g., 70% would be entered as 70. If a function is not applicable, leave the entire row blank. Otherwise, please ensure that your percentages for a functional row add up to 100%. Click on or pass your cursor over the underlined functional area to see how we have defined each area for survey reporting purposes to ensure comparable data comparisons across all campuses. These definitions are also found in a full glossary available by clicking on Survey Help.

NOTE that we are requesting that you estimate what percent of equivalent funding came from the system/district office for each function if your campus is part of a multicampus system that provides IT functionality at the system/district level.

3. What dollar amount, if any, does the centralized IT organization of your campus annually budget per IT staff member (on average) for training or professional development? Enter the dollar amount in whole U.S. Dollars, without commas or decimals, e.g., $1,250.78 would be entered as 1251. Enter 0 if you do not allocate funds for this purpose.

NOTE that this question does not refer specifically to the past fiscal year, but is a request for the average amount per IT staff member that is usually budgeted annually. Please be sure that the amount you enter is per IT staff member, not your entire organizational training / professional development budget.

$ 

4. What was the total compensation for FY 2006-2007 (including fringe benefits even if benefits were paid elsewhere on campus and not charged to the centralized IT organization) for the following categories of personnel employed by or through the centralized IT organization of your campus? If for question 5 of section 1 of this survey you counted as "staff" individuals employed through an IT service outsource arrangement, please enter compensation for those individuals in the "staff" rather than "contractors" category below. If you reported FTE student employees, there is an expectation that you will enter congruent compensation for this category. If you enter $0 because you did not compensate your student employees from centralized IT funding, or if the compensation amount entered was subsidized by work study or other funding external to your IT organization, please check the appropriate box below the question to indicate this arrangement.

Enter the dollar amount in whole U.S. Dollars, without commas or decimals, e.g., $58,499.41 would be entered as 58499. NOTE that the total of all the numbers entered should reflect the total compensation expended for all centralized IT personnel for FY 2006-07. If your centralized IT organization compensated personnel that did not fall into any of the categories listed, please include this information in the "other" category and enter the dollar amount of total compensation for these personnel. Please do not use the "other" category to report $0 for no other kinds of staff compensation; if you had no other kind of staff compensation, simply leave both of the boxes on that line blank. Click on the underlined term for an explanation of that category of personnel.

1. Staff $ 

1a. If staff compensation and/or fringe benefits were paid from an institutional budget rather than from your centralized IT organization’s operating appropriation / budget, and you have reported those dollars on line 9 of Section 2 Question 1 of the survey. $ 

2. Students* $ 

3. Consultants $ 

4. Contractors $ 

5. Other $ 

*Please check here if your student employees were compensated in whole or part by Work Study or other funding that you did not report as part of your centralized IT organization's funding in Section 2, Question 1 or that you did not include in line 2 above.
5. Please enter your best estimate of the total spent on salaries (including benefits) for FY 2006-2007 for IT personnel who are employed in departments or offices outside the centralized IT organization of your campus (for example, employed by administrative offices or academic departments), including part-time and limited-term employees. Enter the dollar amount in whole U.S. Dollars, without commas or decimals. Your campus HR office may be able to provide this figure. If no IT personnel were employed outside the centralized IT organization, enter 0. If you cannot estimate this amount, please check the box to indicate that.

$ 

We cannot estimate this amount.

---

6. Please enter your best estimate of the total spent in FY 2006-2007 on information technology (other than salaries and benefits) in departments or offices outside the centralized IT organization of your campus. These expenditures would include hardware, software, licenses, and so forth, that is, non-personnel expenditures. The operative phrase here is "best estimate." We do not expect this figure to be an exact calculation of actual dollars spent. Enter the estimated dollar amount in whole U.S. Dollars without commas or decimals. If your campus has no IT expenditures (other than salaries and benefits) outside the centralized IT organization, enter 0. If you cannot estimate this amount, please check the box to indicate that.

$ 

We cannot reasonably estimate this amount.

---

7. In FY 2006-2007, did your campus charge a general student technology fee, that is, a fee designated wholly for IT that is levied on all students, regardless of major or school (as opposed to specific, individual technology fees that might have been charged based on academic major or other criteria)?

- Yes
- No

If you answered yes to the question above, please answer the following four questions...

On what basis is the fee charged and what is the amount of the fee per FTE student? (Select only one and enter the amount in U.S. dollars. NOTE that decimals are permitted here.)

<table>
<thead>
<tr>
<th>Basis for charge</th>
<th>Amount of fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Flat fee per year</td>
<td>$</td>
</tr>
<tr>
<td>Flat fee per semester</td>

<td>$</td>
</tr>
<tr>
<td>Percentage of tuition</td>
<td>%</td>
</tr>
<tr>
<td>Other</td>
<td></td>
</tr>
</tbody>
</table>
8. Do students pay a separate fee for residence-hall network connections at your campus?

☐ Yes  ☐ No  ☐ There are no residence-hall network connections  ☐ There are no residence halls

9. **Estimate** how many computers your campus owns or leases. (Enter a whole number.)

computers

10. What is the planned replacement cycle for the computers owned or leased by your campus?

☐ Less than every three years  ☐ Three years  ☐ Between three and four years  ☐ Four years  ☐ More than every four years  ☐ We have different replacement cycles for different types of computers.  ☐ We have no formal replacement plan.

11. What percent of the computers owned or leased by your campus are on a replacement cycle for which dollars are funded in the budget? (Enter percentages as whole numbers, e.g., 70% would be entered as 70.)

%
12. What percent of the computers owned or leased by your campus were replaced in FY 2006-2007? (Enter percentages as whole numbers, e.g., 70% would be entered as 70. NOTE that replacement refers to replacing with new computers rather than repurposing machines.)

\[ \% \]

13. Regardless of how your campus network is financed, does the current funding model include renewal of the capital plant including wiring, electronics, and so forth?

- Yes
- No

14. Please indicate which of the following internal information technology services are covered by written service level agreements between the centralized IT organization and departments. (Check all that apply.)

- Academic and/or research support
- Administrative / enterprise information systems support
- Computer and network security
- Data center services
- Desktop services / user support services / help desk
- Instructional technology support
- Multimedia services
- Network services
- Print services
- Telephone services
- Training
- Web support services

Other

\[ \text{None of the above — we have no written service level agreements.} \]

15. Please indicate which if any of the following are run either partially or entirely by an external supplier (that is, a non-affiliated entity such as a vendor or other organization) with whom your campus has contracted through an outsource or ASP arrangement. (NOTE that if your campus is part of a multicampus system or district, the district or system office should not be considered an external supplier.)

- Administrative system(s) — transaction systems operation (e.g., payroll, grants, admissions, etc.)
- Administrative systems — application development
- Administrative systems — project management for implementations
- All or nearly all centralized IT staff and services
- CIO / top IT administrator
- Computer and network security
- Computer operations
- Data center
- Desktop computer installation, maintenance, and/or repair services
Distance education
Help desk
Instructional / course management system
Multimedia services
Network services on campus
Portal
Print services
Remote access to network services
Resnet (student residential networks)
Telephone services
User support services
Web development and/or hosting
Other
None of the above — we do not outsource or use ASPs.

16. Enter in the box below the total number of headcount employees (including faculty) that your campus last reported to IPEDS. Your Institutional Research Office should be able to provide you with this number.

NOTE that this question is included in the EDUCAUSE Core Data Service survey by an agreement with the leaders of the COSTS Project, whose survey was merged with the CDS survey in 2006. Any campus that has participated in the COSTS Project and any campus that is a member of the Consortium of Liberal Arts Colleges (CLAC) will need to complete this question in order for benchmarks that have been available through the COSTS Project to continue to be available through the CDS interactive database service.

This question is optional for other survey respondents, so you may elect not to provide this information. If that is the case, please check the box below to indicate this. NOTE that if you do provide this number, your data will be included in the related benchmark ratios that will be available in the CDS interactive database service when it is launched in the spring of 2008.

We have elected not to provide this number.

17. Enter in the box below total campus expenses (not including financial aid expenses) last reported to IPEDS. Enter a whole number, without commas or decimals, in U.S. dollars. This number comes from the audited financial statement for your institution and should be available from your campus business office.

NOTE that this question is included in the EDUCAUSE Core Data Service survey by an agreement with the leaders of the COSTS Project, whose survey was merged with the CDS survey in 2006. Any campus that has participated in the COSTS Project and any campus that is a member of the Consortium of Liberal Arts Colleges (CLAC) will need to complete this question in order for benchmarks that have been available through the COSTS Project to continue to be available through the CDS interactive database service.

This question is optional for other survey respondents, so you may elect not to provide this information. If that is the case, please check the box below to indicate this. NOTE that if you do provide this number, your data will be included in the related benchmark ratios that will be available in the CDS interactive database service when it is launched in the spring of 2008.

We have elected not to provide this number.

If you have elected to provide total campus expenses (net financial aid) in the box above, please check below which accounting standards are followed by your campus. Again, your business office should be able to provide this information.

☐ GASB (Governmental Accounting Standards Board)
☐ FASB (Financial Accounting Standards Board)
Faculty and Student Computing

1. How many hours a week does the public help desk service provided by your centralized IT organization operate during the academic year? (Enter a whole number, e.g., 24 x 7 support would be entered as 168, 24 x 5 support would be entered as 120, and so forth. NOTE that this number cannot exceed 168.)

   [ ] _______ hours

   [ ] We do not have a public help desk.

2. Estimate what percent of undergraduate students at your institution use their own personal computers on campus. (NOTE that this includes students using computers they already owned before enrolling that they brought with them or using computers that your campus has provided or leased to them or required them to purchase after enrollment. If your campus does not have resident students, please do not include computers that students use at home for which your staff are not responsible for support. Enter the percentage as a whole number, e.g., 70% would be entered as 70.)

   [ ] _______ %

3. Check the one statement below that best describes the student computer policy of your campus.

   [ ] All students are provided a personal computer.

   [ ] Students in general are required to purchase/lease a personal computer.

   [ ] Students in some departments or majors are required to purchase/lease a personal computer.

   [ ] Personal computer purchase/lease is recommended but not required for all students.

   [ ] Personal computer purchase/lease is recommended but not required for students in some departments or majors.

   [ ] There are no requirements or recommendations regarding personal computer purchase or lease.

   [ ] Other _______

4. Does your campus offer high-speed network connections to students in residence halls?

   [ ] Yes

   [ ] No

   [ ] There are no residence halls

If you answered yes to the question above, please answer the following two questions...

Which is the most prevalent speed offered?

   [ ] 10 mbps

   [ ] 10-11 mbps

   [ ] 10/100 mbps

   [ ] 100 mbps

   [ ] > 100 mbps
What is the most prevalent technology? (Select only one.)

- Ethernet
- Cable Modem
- DSL
- Wireless
- Other [ ]

5. Please select the statement below that best describes your campus with regard to providing students a campus-negotiated service to access online music and/or movie services.

- We are already offering such a service.
- We are planning to offer such a service.
- We are considering offering such a service.
- We have no plans to offer such a service.

6. Does your campus issue an e-mail account to each student for the purpose of receiving official communications?

- Yes
- No

7. Because students arrive with e-mail addresses of their own, some campuses have stopped providing universal student e-mail. Please select the one statement below that best describes your practice.

- We have never offered universal student e-mail.
- We offer universal student e-mail and have no plans to discontinue this service.
- We offer universal student e-mail but are seriously considering discontinuing this service.
- We have already stopped offering universal student e-mail.

8. Please check all the statements below that describe your campus' support for faculty in the use of technology in teaching and learning.

- We have a designated instructional technology center available to all campus faculty.
- Our campus faculty teaching / excellence center works closely with IT and has a strong emphasis on technology.
- We have instructional designers available to work with instructional technologists to help faculty develop courses that use technology.
- We employ instructional technologists who are discipline specialists to work in academic departments.
- We provide student technology assistants who help faculty use technology.
- We offer intensive support for faculty who are heavy users of technology in teaching.
- We offer faculty training in scheduled seminars.
- We offer faculty training upon request.
- We offer activities and opportunities for faculty who use technology in innovative ways to share their experiences (e.g., technology fairs, brown bags, etc.).
- We offer special grants or awards to faculty to support innovative use of technology in teaching and learning.
- Other [ ]

If you checked either one or both of the first two options above, please estimate what percent of the faculty are using the center(s). Enter the estimate as a whole number without a percent sign.

[ ]

%
9. Please check the one statement that most accurately describes your campus’s practice regarding course management systems.

- We have not deployed a course management system and do not plan to.
- We are planning to deploy one or more course management systems.
- We are currently reviewing options, considering deploying a course management system or changing our current course management system approach.
- We support a single commercial-product course management system.
- We support more than one commercial-product course management system.
- We support a single homegrown course management system.
- We support more than one homegrown course management system.
- We support a single open source course management system or a commercial product based on open source.
- We support more than one open source course management system or commercial product based on open source.
- We employ a hybrid approach (support a combination of homegrown, open source, and/or commercial course management systems).
- Other

If you checked that you currently support one or more course management systems, please select the statement that most accurately describes faculty use of the system(s) at your campus:

- Our course management system(s) is (are) ubiquitous, employed for all or nearly all courses.
- Our course management system(s) is (are) used selectively by faculty.

10. Please indicate the status at your campus of the following learning technologies or practices, whether at the campus or individual departmental level.

<table>

11. Please indicate the percent of campus classrooms that are centrally scheduled that are permanently equipped with the technologies listed. (Enter percentages as whole numbers, e.g., 70% would be entered as 70. If a technology is not applicable, enter 0.)

- Wired Internet connections
- Wireless Internet connectivity
- LCD projectors
Networking and Security

1. What is the total bandwidth available (capacity in megabits, e.g., a T1 would be entered as 1.5) from your campus? (If no bandwidth, enter 0.)

   ...to the commodity internet
   [ ] Mbps (megabits per second)

   ...to high-performance networks such as Abilene
   [ ] Mbps (megabits per second)

2. Please check all statements that apply regarding tracking or shaping bandwidth utilization on your campus Internet connection.

   [ ] We do not track or shape bandwidth utilization.
   [ ] We track utilization.
   [ ] We shape by time of day.
   [ ] We shape by location on campus (for example, residence halls).
   [ ] We shape by type of traffic (e.g., P2P file sharing).
   [ ] We shape by direction (inbound versus outbound).
   Other [ ]

3. Please check the way(s) in which remote access is provided at your institution for the following campus constituents. (Check all that apply. If you have no modem pool lines, leave the "Total Number of Lines" box empty and check "Not Provided.")

<table>
<thead>
<tr>
<th>Total Number of Lines</th>

5. From how many campus sites (not counting individual desktops) can an interactive videoconference be initiated? (NOTE that this question relates to designated sites that are set up with permanent equipment for conducting interactive videoconferencing. Enter a whole number. If you have no such sites, enter 0.)

[ ] sites

6. **Estimate** the percentage of personal computers owned or leased by your campus that can deploy videoconferencing from the desktop. Enter the percentage as a whole number, e.g., 20% would be entered as 20. If you have no desktop computers with this capability, enter 0.

[ ] %

7. Please indicate the status at your campus of the following technologies, whether campuswide or in individual departments.

<table>

9. Please check the statement that most accurately describes the status of end-user authentication for network (wired and wireless) access on your campus.

☐ We currently require end-user authentication for all network access.
☐ We are in the process of implementing an end-user authentication requirement for all network access.
☐ We are planning to require end-user authentication for all network access.
☐ We are considering an end-user authentication requirement for all network access.
☐ We have no plans for requiring end-user authentication for all network access.
☐ Other

10. Please check all of the following that apply at your campus regarding firewalls.

☐ a firewall at our external Internet connection
☐ firewalls around certain high-security servers or networks
☐ firewalls deployed by or on behalf of individual departments
☐ a site license for a personal firewall product
☐ a plan in place to implement one or more firewalls
☐ no firewalls
☐ Other

11. Please check all of the following that apply at your campus regarding security-related practices.

☐ We require all of our critical systems to be expeditiously patched or updated.
☐ We require campus-owned or -leased computers to be expeditiously patched or updated.
☐ We require all personally owned computers to be expeditiously patched or updated.
☐ We conduct proactive scans to detect known security exposures in our critical systems.
1. Please complete the following grid regarding the major information systems at your campus. For campuses within multicampus systems or districts, if an information system is or soon will be provided at the system or district level, please enter the information requested for your campus but also check "provided at system or district level" for that system. If you have not implemented or do not plan to implement a specified system, please check "Not Applicable" for that system and do not check any other boxes for that system. If your campus (or system/district office on behalf of your campus) plans to implement a system in the next three years, check the box for that option. If the system is or will be a commercial product, please enter the name(s) of the vendor(s) and product(s); if open source, please enter "open source" and the product name(s); if developed in house, please enter "homegrown." NOTE that you cannot enter a year in the future for the "year implemented." If the system is in the process of being implemented, enter the year in which the implementation was begun.

<table>
<thead>
<tr>
<th>System</th>
<th>Not Applicable</th>
<th>Year Implemented (yyyy)</th>
<th>Enter Vendor and Product Name, Open Source and Product Name, and/or &quot;Homegrown&quot;</th>
<th>Will Implement or Replace in the Next 3 Years</th>
<th>Provided at System/District Level</th>
</tr>
</thead>
<tbody>

</tbody>
</table>

2. Check the strategies below that your campus (or system or district office if information systems are provided at that level) employs for implementing or converting information systems. (Check all that apply.)

- Develop systems in house (homegrown)
- Develop systems in partnership with a vendor
- Purchase a commercial product without customization
- Purchase a commercial product with customization
3. Do you modify commercial or open source products that you implement?

☐ Yes  ☐ No

If you answered yes, please indicate the usual extent of modification. (Check all that apply.)

☐ Underlying code  ☐ Configuration  ☐ External modules

☐ Other

4. Please check the appropriate statement for your campus (or system or district office if systems are provided at that level) regarding enterprise resource planning (ERP) systems.

☐ We have no plans for an ERP implementation.
☐ We are considering an ERP implementation.
☐ We are in the RFP stage of an ERP implementation.
☐ We have an ERP implementation in process.
☐ We have completed an ERP implementation or completed the segments we have chosen to implement.

If you selected one of the last three choices above...

Please estimate the percent of the total cost of the project that was or will be spent on the following ERP project components at the time of implementation. (Enter percentages as whole numbers, e.g., 70% would be entered as 70.)

<table>
<thead>
<tr>
<th>Component</th>
<th>% of Total Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Software and software licenses</td>
<td>%</td>
</tr>
<tr>
<td>Software maintenance</td>
<td>%</td>

<tr>
<td>Hardware</td>
<td>%</td>
</tr>
<tr>
<td>Other</td>
<td>%</td>
</tr>
</tbody>
</table>
5. Please check the one statement that is most appropriate regarding a Web portal at your campus (or system or district office if this functionality is provided at that level).

- We have implemented a Web portal.
- We are in the process of implementing a Web portal.
- We are planning to implement a Web portal.
- We have no plans to implement a Web portal.

If you selected one of the first three choices above, please answer the following five questions...

Our portal is or will be:
- developed in-house
- a commercial product
- an open source product
- Other

Is your portal (or will your portal be) customizable by the individual user?
- Yes
- No

Is your portal (or will your portal be) customized for target audiences?
- Yes
- No

For what audience is your portal (or will your portal be) customized? (Check all that apply.)
- for current students
- for prospective students
- for faculty
- for staff
- for the external community
- for alumni
- Other

Is your portal (or will your portal be) integrated with campus administrative systems?
- Yes
- No
