EDUCAUSE Publishing Permission Creative Commons Agreement

This agreement is made between [insert author/presenter(s)] ("Author") and EDUCAUSE regarding publication/recording of Author's intellectual property ("Work"). EDUCAUSE and Author hereby acknowledge and agree that Author owns the copyright of the original Work. Author represents and warrants that the Work is original to Author and does not infringe upon any copyright, proprietary right, or any other right whatsoever of any party. Author acknowledges that EDUCAUSE does not pay an honorarium or royalties for materials or work published within EDUCAUSE.

This permission form allows EDUCAUSE to record, use, repurpose the content in any form, digital or otherwise, and to produce any content. Please note that some content may be restricted to EDUCAUSE attendees for an initial period of time to be specified by content type. Author also agrees to apply an Attribution Non-commercial Share Alike (by-nc-sa) Creative Commons license to any work produced.

Attribution Non-commercial Share Alike (by-nc-sa)

This license lets others remix, tweak, and build upon your work non-commercially, as long as they credit you and license their new creations under the identical terms. Others can download and redistribute your work just like the by-nc-nd license, but they can also translate, make remixes, and produce new stories based on your work. All new work based on yours will carry the same license, so any derivatives will also be non-commercial in nature.
